

# Nak'azdli Bladerunners Program

Nak'azdli is now accepting applications for the upcoming Bladerunners Program.

**The program runs January 5 through March 25, 2016.**

This is a great opportunity for **youth between the ages 16 and 30** who have been out of school and unemployed or under-employed to participate in:

- Certificated Trades Training
- Pre-Employment Training
- Career development
- Support and Guidance
- Work Placement
- Job Coaching
- Life Skills
- Computer Training
- Essential Skills  
(Numeracy, English, Reading)

This is 12 week pre-employment training program. Bladerunners runs three groups every year and accepts five participants per group. Although Employment Training is the main emphasis of this program, we honour community talents, wisdom and knowledge to prepare our young people for their futures. We will do our best to tailor the program to participant training needs.
